Section 1 Part E Text file of Quorum commands:

Instructions: A blank line will appear whenever you should return to the SJS (Skynet Junior Scholars) web page of the Section and Part referred to in the title of this page and read instructions for the next set of commands.

```
boolean domeIsOpen = true
   if domeIsOpen

output "Dome is Open. The Telescope is ready to take images."

else
   output "Dome is Closed. The Telescope is NOT ready to take images"

end

if a > 21

number a = cast(number, input("How old are you"))

if a < 18
   output "You are not an adult"
else
   output "You are an adult"
end

number a = cast(number, input("How old are you"))
if a < 13
   output "You are a child"
elseif a < 18
   output "You are not an adult"
elseif a > 18
   output "You are an adult"
end
```
