The guest use for 15 minutes will be granted by clicking on the button below.

[Operate as a guest](#)

YERKES OBSERVATORY 2015/10/15 04:52:10

alt:+55, azi:174

Process

- Choose an Observatory or Location
- Operate as Guest
- Choose a constellation from the list.
- Click Get altaz. Then click Go.
- *Be patient. It may take a few minutes for the command to go to the server in Japan and then back to the computer at the i-CAN location.*
